Investigator at Children's Health Watch*

Panel & Speakers

To Be Announced

**Invited Guests include State Representatives &
Senators from the North Shore**

The recession is over for some, but for many families on the North Shore resources have been used up and opportunities are hard to come by. We are experiencing an increase in families and young people in crisis who need shelter and housing. Join us for an important discussion of the situation in Massachusetts, the North Shore and in your town.
