

Welcome to worship at the First Church in Swampscott.

You can join our online worship by following the link:

<https://www.facebook.com/FirstChurchSwampscott/live/>

You don't need a Facebook account to see the worship service, though it is more convenient.

If the box to "Log in" or "Create an Account" pops up. Click on the "Not now" text.

When the video of the live stream starts, you can click on the video to see the controls and click on the full screen icon, to see a larger image.

You are also welcome to join the more interactive Zoom worship directly next week. We ask that you send your name, email address, and phone number to admin@[thefirstchurch.org](mailto:admin@thefirstchurch.org). And we will add you to our internal church email list.

God bless you and may God help us all.

-- Pastor Ian
